

Warranties & Colour Chart

Pacific Coilcoaters are major suppliers of pre-painted metal under the Colorcote brand. A colour chart is available to help you make sense of the various available colour and environmental categories. Please note that at your request we can arrange for a swatch to be dropped off to you so you can get an accurate idea of the color as there will be a variance to what you see on the web site.

COLORCOTE® products will inevitably weather, chalk and fade over time as a result of normal wear and tear.

The environmental classifications are described in AS/NZS 2728:1997, and are as summarised in the Atmospheric **Environment Usage** Guide published by Pacific Coilcoaters. Determination of coating performance will be as per test methods described in Australian Standard AS1580.

If any COLORCOTE® ZR8™, ZRH™, ZRX™, AR8™ or ARX™ product fails to perform as warranted we will, at our sole option, repair or replace (including labour) the affected material.

Please note this warranty is subject to the following terms and conditions:

- This warranty will not apply to weathering, chalking or fading over time as a result of normal wear and tear.
- If the COLORCOTE® ZR8™, ZRH™, ZRX™, AR8™ or ARX™ product has not been selected, processed or maintained in accordance with the published recommendations of Pacific Coilcoaters and accepted good trade practices, this warranty will not apply.
- If inappropriate fastenings are used this warranty will not apply.
- Defects caused by faulty design, or method of manufacture of buildings are not covered by this warranty.
- Garage doors are not covered by this warranty.
- Pacific Coilcoaters must be given the opportunity for inspection on site prior to any remedial action being offered or taken.
- The product must be manufactured from prime COLORCOTE® pre-painted metal products.
- Damage or corrosion resulting from the following is not covered by this warranty:
 1. Damage sustained during handling, storage, processing or installation.
 2. Damage sustained after installation.
 3. Damage caused after the product has left our control.
 4. Failure to remove debris leading to the accumulation of moisture retaining matter in gutters and downpipes.

Our liability under this warranty shall in all cases be limited to replacing or repairing the defective product as specified above including labour. Any repaired or replaced product will be covered by this warranty only for the unexpired portion of the warranty of the original product. Pacific Coilcoaters will not under any circumstances be liable for consequential loss or damage. All claims must be made promptly in writing and accompanied by the original warranty document.
